Secure the hook in the vice. Tie in the thread and wind down to the barb. Tie in a length of GloBrite #5 and wind forward 3mm to form a tag. Secure with the thread and trim off. Tie in a length of Small Silver wire and a length of flat Silver tinsel, take the thread to the midpoint and trim off the waste. Wind the tinsel up to here forming the rear half of the body. Rib with the wire, tie in and trim off. Tie in a Yellow cock hackle by the tip, double it and wind 4 turns. Tie in and trim off. The hackle should reach beyond the end of the hook. Prepare a bunch of Yellow Bucktail and tie in about twice the hook length. Tie in three strands of Pearl Krystal flash the same length. Tie in a small bunch of Orange Fox. Take the thread up to head binding everything in and trim off the waste. Return the thread to the midpoint tying in a length of Silver wire and a length of Black floss. Take the thread back to the head. Wind the floss up to the head forming the front body. Rib it with the wire and trim off the waste. Tie in a small bunch of Black Fox for the wing, about the length of the hook. Bind in tightly and trim the waste. Tie in an Orange cock hackle by the tip. Double it and wind 3 turns, this hackle should be shorter than the mid hackle. Tie in a length of fine Pearl mylar and slightly stretch it leaving the thread at the eye. Apply a thin coat of superglue to the head and wind the mylar over the head. Apply superglue to 5mm of the thread and take 2 turns to tie in the mylar. Trim off the waste. Coat the head with superglue and when dry apply a coat of nail varnish.
