

## KS SHRIMP

Hook - Silver

Thread - Fire Orange

Tag - Oval Silver Tinsel

Tail - Hot Orange Bucktail

Orange Krystal Flash

Butt - GloBrite #5

Rib - Silver Oval

Body - Black Floss

Wing - White Fox, Black Bear and Silver Krystal Flash

Hackle - Silver Badger      Eyes - Jungle Cock

Secure the hook in the vice. Tie in the thread and wind down to the point tying in a length of Oval Silver, Wind the Oval 4 turns backwards to form a tag, take the Oval between the 2 hooks and pull back towards the head. Secure with the thread and trim off.

Prepare a small bunch of Hot Orange Bucktail and tie in for the tail, twice the hook length. Tie in 4 strands of micro Orange Krystal Flash the same length.

Wind the thread forward 3mm and tie in a length of GloBrite #5 floss. Wind this down to the tail and back up to the thread to form the butt, tie in and trim off. Apply a coat of superglue for security.

Tie in lengths of Oval silver and Black floss. Wind the thread up to the head tying in the waste and trim off. Wind the floss up to here to form the body and tie in. Rib the body with the Oval and tie in and trim off. Prepare a small bunch of White Arctic Fox and tie in with well waxed thread so that it reaches just past the end of the hook. Prepare a small bunch of Black Bear hair and tie in so that it is half the tail length. Trim off the butts at a taper and bind the roots down tightly forming a smooth base. Tie in a 4 strands of Silver Krystal Flash the same length and trim the waste.

Prepare a Silver Badger cock hackle and tie it in by the tip, double it and wind 3 turns, this should reach the hook points.

Prepare and tie in a pair of Jungle Cock eyes. Fold back the waste stalks and bind down tightly,

Form a neat head and whip finish. Now apply a coat of superglue and several coats of thin clear varnish to produce a smooth shiny head.
