Secure the hook in the vice. Tie in the thread and wind down to the bend tying in a length of Oval Silver. Wind the Oval 4 turns backwards to form a tip, take the Oval between the 2 hooks and pull back towards the head. Secure with the thread and trim off. Tie in a length of Red floss and wind this forward 3mm to form the tag. Tie in and trim the waste. Tie in a Golden Pheasant Red breast feather by the tip. Double it and wind 3 turns, tie in and trim off the waste. Take a few turns of thread over the base of the feather for security. Tie in a length of Silver Oval, secure with the thread and trim off the waste. Dub the thread with Black Seals fur and wind up to the midpoint. Rib with the Oval up to here and trim off the waste. Tie in a Silver Badger cock hackle by the tip. Double it and wind 3 turns, tie in and trim off. This hackle should reach the points. Tie in a length of Silver Oval secure with the thread and trim off the waste. Dub the thread with Black Seals fur. Wind up to the head forming the front body. Rib with the Oval, tie in and trim off the waste. Cut a slip of fibres from opposite sides of a Golden Pheasant tail feather. Place them back to back and tie them in as a wet fly wing. Bind in tightly and trim the waste. The wing should just reach the end of the hook. Tie in a Silver Badger cock hackle by the tip, double it and wind 3 turns. This should be longer than the middle hackle. Take some turns of thread tight up to the base to slope it backwards. Form a neat head and whip finish. Now apply a thin coat of superglue and when dry several coats of thin clear varnish to produce a smooth shiny head.
