

PARKY PIG

Hook – Gold Salar
Thread – Black Uni 8/0
Tag – Oval Gold
Rib – Oval Gold
Rear Body – Gold Lite Brite
Wing – Orange and Yellow Boar
Mid Hackle – Yellow cock
Rib – Oval Gold
Front Body – Black Seals fur
Hackle – Hot Orange badger cock
Eyes – Jungle Cock

Secure the hook in the vice. Tie in the thread and wind down to the point tying in a length of Oval Gold. Wind the Oval 4 turns backwards to form a tag, take the Oval between the 2 hooks and pull back towards the head. Secure with the thread and trim off.

Tie in a length of Oval Gold tinsel and trim the waste. Dub the thread with Gold Lite Brite. Wind the thread to the midpoint forming the rear body. Rib the Oval up to here, tie in and trim off the waste. Use your Velcro brush to scrub the body and pick out the fibres.

Tie in, with well waxed thread, 2 Orange and 2 Yellow Boar Bristles. Arrange them into a nice fan shape. Coat the body with superglue and wind the thread to the head binding everything in and trim off the waste. Return the thread to the midpoint.

Prepare a Yellow cock hackle and tie in by the tip, double and wind 3 turns. Tie in and trim the waste. This hackle should reach the bend. Tie in a length of Oval Gold and trim the waste.

Dub the thread with Black Seals fur. Wind the thread to the head forming the front body. Rib the Oval up to here, tie in and trim the waste. Prepare a Hot Orange Badger cock hackle and tie in by the tip, double it and wind 3 turns. Tie in and trim off the waste. This hackle should be slightly shorter than the mid hackle.

Prepare a pair of Jungle Cock eyes and tie in, pull back the waste stalks and bind in tightly.

Form a neat head and whip finish. Now apply several coats of thin clear varnish to produce a smooth shiny head.
