Secure the hook in the vice. Tie in the thread and wind down to the point tying in a length of Oval Silver. Wind the Oval 4 turns backwards to form a tag, take the Oval between the 2 hooks and pull back towards the head. Secure with the thread and trim off. Tie in 4 Magenta Boar bristles twice as long as the hook. Arrange in a fan shape and then apply a drop of superglue and bind in tightly. Tie in four strands of Micro Pearl Krystal flash the same length. Prepare a bunch of Claret Arctic Fox and tie in and spread all around the hook like a hackle. Tie in a length of Silver wire and a length of Holo Silver tinsel. Take the thread to the middle of the body tying down all the ends and trim them off. Form the rear half of the body with the Holo tinsel and tie in. Rib with the wire, tie in and trim off. Tie in a Magenta cock hackle by the tip. Double it and wind 4 turns. The hackles should reach just beyond the points of the hook. Tie in a length of Silver wire. Pluck some Pigs underfur from the Boar patch, you can sub Seals Fur, and dub onto the thread. Wind to the head forming the front half of the body. Rib with the wire, tie in and trim off. Tie in a Silver Doctor Blue cock hackle by the tip. Double it and wind 3 turns. The hackle should be slightly shorter than the mid hackle. Prepare a pair of Jungle Cock eyes and tie in roofed, double back the waste stalks and bind in tightly. Form a neat head and whip finish. Now apply a coat of superglue and when dry several coats of thin clear varnish to produce a smooth shiny head.
